

HYDRO BAN® Linear Drains

Trough and Grate sold separately.

Data Sheet 034.0

FEATURES

Precision hand crafted using heavy duty 304 L stainless steel

V-bottom trough

Allows for a single slope to drain

Linear drain only two parts; trough and grate

Linear drain height adjust from 3/8" to 3/4"

Custom sizes available

Threaded and side outlet options available

Compatible with HYDRO BAN® waterproofing membranes

BENEFITS

Extremely strong, provides for long lasting performance; scratch, wear and rust resistant

Improved drainage flow, allows for a simple shower installation

Ideal for use with large format tile, eliminates pre-slope and primary shower pan

Quick and easy; no hub drain installation

Accommodates larger range of tile with one grate

For ultimate versatility and flexibility

Versatility; for a wide variety of installation types

For ultimate versatility and flexibility

Uses

- Interior or exterior
- Showers, steam rooms and steam showers
- Industrial, commercial and residential bathrooms and laundries
- Kitchens and food processing areas
- Terraces, decks and balconies

Suitable Substrates

- Exterior glue plywood (interior only)
- Cement backer board
- Cement mortar bed

Packaging

The HYDRO BAN® Linear Drain is a two-piece drain with a trough and removable grate (sold separately). Available in eight lengths and three grate styles: offset oval in brushed, polished, oil rubbed bronze, and matte black stainless steel, wedge wire in brushed or polished stainless steel, and a tile-in tray. HYDRO BAN Linear Drains are supplied with a hair strainer and a key for easy removal and cleaning.
