

STONETECH® Tile, Stone & Surface Care

Forever Chemicals, Forever Eliminated.
STONETECH preserves the beauty.

laticrete.com/stonetech

Clean

your surfaces safely and effectively.

STONETECH® cleaners range from daily to heavy duty, problem-solving solutions and will eliminate everyday spills and restore the appearance without harming the intended surface.

Daily Use

NEW & IMPROVED

STONETECH Revitalizer® Cleaner & Protector

- Designed without PFAS*: Delivers the same trusted STONETECH performance without compromising durability, usability, or application quality
- 3-in-1 — Cleans, reseals and defends
- Built-in sealer reseals to reinforce protection
- Protects the treated surface by helping to resist mold and mildew-related deterioration and to control odor-causing effects.[§]
- Makes surfaces easier to clean
- Available in citrus and NEW spring rain scents
- Ready-to-use and concentrate formulas
- Water-based

Recommended Surfaces:

Natural Stone and Grout such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone and Flagstone.

Available Sizes:

- 24 oz (709 mL) Spray Bottle
- Gallon Refill (3.8 L)
- Gallon (3.8 L)
- 5-Gallon (18.9 L)

STONETECH Stone & Tile Cleaner

- Daily cleaner
- Gentle, pH neutral formula
- Removes everyday spills, dirt and grease
- Ready-to-use and concentrate formulas
- Clean, fresh scent

Recommended Surfaces:

Natural Stone, Tile, Masonry, Grout and Engineered Stone such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone, Flagstone, Concrete, Ceramic Tile, Porcelain Tile and Quartz.

Available Sizes:

- 24 oz (709 mL) Spray Bottle
- Quart (946 mL)
- Gallon (3.8 L)

STONETECH Quartz & Tile Cleaner

- Gentle daily cleaner
- Removes everyday spills and light stains
- No-rinse needed — just spray and wipe away
- Clean, fresh scent

Recommended Surfaces:

For Quartz, Engineered Stone and Tile surfaces such as: Quartz, Polished marble, Polished Granite, Porcelain Tile and Ceramic Tile.

Available Sizes:

- 24 oz (709 mL) Spray Bottle

Heavy Duty / Problem Solvers

STONETECH Stainless Steel Pro Cleaner

- Surface protector helps resist fingerprints and grease
- Cleans without streaking
- Removes smudges, water spots and oil residues
- Professional grade

Recommended Surfaces:

Stainless Steel. Do not use on colored Concrete, dyed Dranite, and acid-sensitive stones such as Marble, Limestone, and Travertine.

Available Sizes:

- 24 oz (709 mL) Spray Bottle

*Refer to DS-230.30ST, DS-230.25ST, DS-230.10ST and DS-230.13 for complete warranty information.

[§]Antimicrobial technology is not designed to protect users against disease causing microorganisms.

Heavy Duty / Problem Solvers

STONETECH KlenzAll™ Cleaner

- Removes tough dirt, grease and grime
- Heavy duty strength
- Safe on stone, will not etch
- Water-based alkaline formula
- Prepares surface for resealing

Recommended Surfaces:

Natural Stone, Tile, Masonry and Grout surfaces such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone, Flagstone, Concrete, Ceramic Tile, and Porcelain Tile.

Available Sizes:

- 24 oz (709 mL) Spray Bottle
- Quart (946 mL)
- Gallon (3.8 L)
- 5-Gallon (18.9 L)

STONETECH DeepKlenz™ Cleaner

- Powers through stubborn grease and food stains
- Maximum strength
- Water-based alkaline formula
- Prepares surface for resealing
- Ready-to-use formula

Recommended Surfaces:

Natural Stone, Tile, Masonry and Grout surfaces such as Marble, Granite, Limestone, Travertine, Slate, Sandstone, Quartz, Quartzite, Concrete, Ceramic Tile, Porcelain Tile and Stainless Steel Tile.
*For other artificial stones, refer to artificial stone manufacturer.

Available Sizes:

- 24 oz (709 mL) Spray Bottle

STONETECH Restore™ Acidic Cleaner

- Removes dirt, hard water deposits, grout haze, efflorescence and rust
- Professional strength
- Acidic water-based formula
- Concentrate formula

Recommended Surfaces:

Tile, Grout and Natural Stone such as Ceramic Tile, Porcelain Tile, Granite, Slate, and Sandstone. Do NOT use on colored Concrete, dyed Granite, and acid-sensitive stones such as Marble, Limestone, and Travertine.

Available Sizes:

- Quart (946 mL)
- Gallon (3.8 L)

STONETECH Mold & Mildew Stain Remover

- Cleans away mold and mildew stains
- Specially formulated for natural stone
- Won't degrade stone or grout
- Fresh, clean scent

Recommended Surfaces:

Natural Stone, Tile, Masonry and Grout surfaces such as Marble, Granite, Limestone, Travertine, Slate, Ceramic Tile, Porcelain Tile, Glass Tile, brick and unpolished poured concrete slabs.

Available Sizes:

- 24 oz (709 mL) Spray Bottle

STONETECH Soap Scum Remover

- Removes stubborn soap scum, hard water stains, and dirt without scratching
- Specially designed for use on sealed natural stone, ceramic and glass tile surfaces
- Spray on foam, cleans and shines
- Fresh, clean scent

Recommended Surfaces:

Natural Stone, Tile and Grout surfaces such as Marble, Granite, Limestone, Travertine, Slate, Ceramic Tile, Porcelain Tile and Glass Tile.

Available Sizes:

- 24 oz (709 mL) Spray Bottle

STONETECH Epoxy Grout Haze & Coating Stripper

- Cleans epoxy grout and coatings in 10 minutes or less
- Non-runny gel is great for vertical applications
- Low odor and non-flammable
- Water-based formula — no methylene chloride

Recommended Surfaces:

Natural stone, Tile and Masonry surfaces such as: Granite, Marble[†], Limestone, Bluestone, Travertine, Sandstone, Slate, Flagstone, Quartzite, Concrete, Saltillo Tile, Quarry Tile, Ceramic Tile and Porcelain Tile.

[†]Not for use on highly sensitive Marbles.

Available Sizes:

- Quart (946 mL)
- Gallon (3.8 L)

Protect your surfaces with a natural-look sealer.

STONETECH® protective sealers penetrate into the surface to ensure stone, tile, masonry and grout are ready for everyday use. Now designed without PFAS* and formulated with advanced water-based technologies.

General Use Sealers

NEW & IMPROVED

STONETECH BulletProof® Sealer

- Designed without PFAS†: Delivers the same trusted STONETECH performance without compromising durability, usability, or application quality
- Maximum stain protection
- Built with antimicrobial technology‡
- Best protection for the most porous surfaces
- Preserves the original look of the surface
- Interior and exterior use — UV stable
- Water-based

Recommended Surfaces:

Porous Natural Stone, Tile, Masonry and Grout such as: Marble, Granite, Quartzite, Limestone, Bluestone, Travertine, Sandstone, and Flagstone.

Available Sizes:

- Pint (473 mL)
- Quart (946 mL)
- Gallon (3.8 L)
- 5-Gallon (18.9 L)

NEW & IMPROVED

STONETECH Heavy Duty Sealer

- Designed without PFAS†: Delivers the same trusted STONETECH performance without compromising durability, usability, or application quality
- Advanced stain protection
- Built with antimicrobial technology‡
- Preserves the original look of the surface
- Interior and exterior use — UV stable
- Water-based

Recommended Surfaces:

Natural Stone, Tile, Masonry, Grout and Engineered Stone such as Marble, Granite, Quartzite, Limestone, Slate, Bluestone, Travertine, Sandstone, Flagstone, Porcelain Tile and Quartz.

Available Sizes:

- 24 oz (709 mL) Spray Bottle
- Pint (473 mL)
- Quart (946 mL)
- Gallon (3.8 L)
- 5-Gallon (18.9 L)

Exterior

STONETECH Salt Water Resistant Sealer

- Maximum protection against salt water damage and de-icing salts
- Protects against water-based stains
- Preserves the original look of the surface
- Water-based

Recommended Surfaces:

Best suited for porous substrates. Treatment around salt water pools: Natural Stone, Porous Tile, Concrete Pavers, Terracotta and Grout. Protection against de-icing salts: Poured Concrete, Aggregate, Pavers, and Flagstone. Not intended for use on surfaces that have previously been exposed to salt water and/or de-icing salts.

Available Sizes:

- Gallon (3.8 L)
- 5-Gallon (18.9 L)

*Refer to DS-230.30ST, DS-230.25ST, DS-230.10ST and DS-230.13 for complete warranty information.

†Formulated without intentionally added PFAS, including PFOA or PFOS.

‡Antimicrobial technology is not designed to protect users against disease causing microorganisms.

Enhance

the look of your surface to deepen color or add a glossy finish. From color enhancing and matte finishes, STONETECH® enhancing sealers are all-in-one solutions that can help transform and protect your finishes.

Color Enhancing Sealers

NEW & IMPROVED

STONETECH Enhancer Pro™ Sealer

- Designed without PFAS*: Delivers the same trusted STONETECH performance without compromising durability, usability, or application quality.
- Deepens color
- Maximum stain protection — no gloss
- Weather and UV stable
- Interior and exterior use
- Water-based

Recommended Surfaces:
Porous Natural Stone, Masonry and Grout such as Bluestone, Slate, Travertine, Sandstone, Limestone, Granite, Marble, Flagstone, Textured stone, Flamed Stone, and Tumbled Stone.

- Available Sizes:**
- Pint (473 mL)
 - Quart (946 mL)
 - Gallon (3.8 L)
 - 5-Gallon (18.9 L)

STONETECH High Gloss Finish & Sealer

- Designed without PFAS*: Delivers the same trusted STONETECH performance without compromising durability, usability, or application quality
- Leaves a high gloss shine and deepens color
- Protects against water and oil-based stains
- Provides a heavy-duty coating
- Water-based formula
- For interior use

Recommended Surfaces:
